WHO AM I?

Hello, my name is Tom Konidas and I'm a minimalist who truly believes that less is more. My passions are Software Development, Cybersecurity, Free and Open Source Software and the communities that surround them. I love knowledge and I strongly believe technology can, and should, enrich every single life our universe has to offer.

HOBBIES

Playing around with networks and hardware (Raspberry Pi). Discovering new podcasts and listening/viewing to conference talks. Producing music, videos and graphic art. Keeping up to date with FOSS and Hacker culture.

NON PROFIT

I help run the local Montreal Elixir Meetup by recording the talks and edit/post them online.
