WHO AM I?

Hello, my name is Tom Konidas and I'm a minimalist who truly believes that less is more. I specialize in the MERN technology stack and believe in the TDD and DDD ethos. My passions are Software Development, Cybersecurity, Free (as in Libre) and Open Source Software and the communities that surround them. I love knowledge and I strongly believe technology can, and should, enrich every single life our universe has to offer.

ReactJS
NodeJS/Express
Typescript/JS(ES6)
REST/GraphQL
SQL/NoSQL
Jest Testing Framework
GNU/Linux/Bash

EXPERIENCE

1/2019 – Present
